MANUFACTURING BETTER BUSINESS

Minneapolis Glass

Minneapolis Glass is a woman-owned glass and glazing fabricator who works for the long-term success of our customers, our industries, and our communities.

By continuously innovating manufacturing and install processes, we eliminate the runaround to make business a little bit easier and a lot more predictable. 80-years of precision craftsmanship ensures the best fit and function. Automated technology integrates capacity planning and project management for fewer surprises and faster fixes. Feedback and insights accelerate solutions that deliver not just great glass but exceptional experiences.

WRITE. ERASE. REPEAT.

Glass

Premium low-iron, tempered glass ensures crisp legibility and clean erase every time. Hard non-porous surface maintains clarity and is highly resistant to scratches, chips, and deterioration. Cleaning is easy with common wipes and solutions. Choose gloss or matte.

Gloss
Highly-reflective surface that energizes spaces at a value

Matte
No-glare, premium etched surface with zero ghosting

COLOR BROUGHT TO LIFE

Chroma

Proprietary Italian-made backpainting technology ensures vivid, bold color that won't fade or scratch.

Choose from the Chroma Color Palette or create a custom color from any swatch or sample.

Chroma Color Palette

Ruby	Clover	Scuba	Sun	Carrot	Punch
Iris	Tea	Ice	Lemon	Salmon	Peach
White	Pear	Sky	Sand	Stone	Taffy

Colors are representations of painted glass. For true accuracy, order a complimentary color glass sample. Pick up or mail delivery available.
